General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Schedule B (Form 990, 990-EZ, or 990-PF), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/form990.

Note: Terms in **bold** are defined in the *Glossary* of the Instructions for Form 990.

Purpose of Schedule

Schedule B (Form 990, 990-EZ, or 990-PF) is used to provide information on contributions the organization reported on:

- Form 990, Return of Organization Exempt from Income Tax, Part VIII, *Statement of Revenue*, line 1;
- Form 990-EZ, Short Form Return of Organization Exempt from Income Tax, Part I, line 1; or
- Form 990-PF, Return of Private Foundation, Part I, line 1.

Who Must File

Every organization must complete and attach Schedule B to its Form 990, 990-EZ, or 990-PF, unless it certifies that it doesn't meet the filing requirements of this schedule by taking the following action:

- Answering "No" on Form 990, Part IV, *Checklist of Required Schedules*, line 2, or
- Checking the box on
 - Form 990-EZ, line H, or
 - Form 990-PF, Part I, *Analysis of Revenue and Expenses*, line 2.

See the separate instructions for these lines on those forms.

If an organization isn't required to file Form 990, 990-EZ, or 990-PF but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

Accounting Method

When completing Schedule B (Form 990, 990-EZ, or 990-PF), the organization must use the same accounting method it checked on Form 990, Part XII, *Financial Statements and Reporting*, line 1; Form 990-EZ, line G; or Form 990-PF, line J.

Public Inspection

Note: Don't include social security numbers of contributors as this information may be made public.

- Schedule B is open to public inspection for an organization that files Form 990-PF.
- Schedule B is open to public inspection for a section 527 political organization that files Form 990 or 990-EZ.
- For all other organizations that file Form 990 or 990-EZ, the names and addresses of contributors aren't required to be made available for public inspection. All other information, including the amount of contributions, the description of **noncash contributions**, and any other information, is required to be made available for public inspection unless it clearly identifies the contributor.

If an organization files a copy of Form 990 or 990-EZ, and attachments, with any state, it shouldn't include its Schedule B (Form 990, 990-EZ, or 990-PF) in the attachments for the state, unless a schedule of contributors is specifically required by the state. States that don't require the information might inadvertently make the schedule available for public inspection along with the rest of the Form 990 or 990-EZ.

See the Instructions for Form 990, 990-EZ, or 990-PF for information on telephone assistance and the public inspection rules for these forms and their attachments.

Contributors to be Listed on Part I

A *contributor* (person) includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations. In addition, section 509(a)(2), 170(b)(1)(A)(iv), and 170(b)(1)(A)(vi) organizations must also report **governmental units** as contributors.

Contributions

Contributions reportable on Schedule B (Form 990, 990-EZ, or 990-PF) are contributions, grants, bequests, devises, and gifts of money or property, whether or not for charitable purposes. For example, political contributions to section 527 political organizations are included. Contributions don't include fees for the performance of services. See the instructions for Form 990, Part VIII, line 1, for more detailed information on contributions.

General Rule

Unless the organization is covered by one of the *Special Rules* below, it must list in Part I every contributor who, during the year, gave the organization, directly or indirectly, money, **securities**, or any other type of property that total \$5,000 or more for the organization's **tax year**. In determining the total amount,

separate and independent gifts of less than \$1,000 can be disregarded.

Include each contribution included on Form 990, Part VIII, line 1, in calculating a contributor's total contributions and determining whether that contributor must be reported on Schedule B under this General Rule (or one of the following Special Rules, if applicable). For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property in Part VIII, line 1, it must include the value of that contribution in calculating whether the contributor meets the General Rule (or one of the Special Rules, if applicable), even if the organization didn't receive the property during the tax year.

Special Rules

Section 501(c)(3) organizations that file Form 990 or 990-EZ. For an organization described in section 501(c)(3) that meets the 33 $\frac{1}{3}$ % support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), and not just the 10% support test (whether or not the organization is otherwise described in section 170(b)(1)(A)), list in Part I only those contributors whose contribution of \$5,000 or more during the tax year is greater than 2% of the amount reported on Form 990, Part VIII, line 1h(A), or Form 990-EZ, line 1. *An organization that claims the benefit of this special rule must either (1) establish on Schedule A (Form 990 or 990-EZ), Part II, that it met the 33 $\frac{1}{3}$ % support test for the current year or prior year, or (2) check the box on Schedule A (Form 990 or 990-EZ), Part I, line 7 or 8, and the box on Schedule A, Part II, line 13, as a section 170(b)(1)(A)(vi) organization in its first five years.*

Example. A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on Form 990, Part VIII, line 1h. The organization is only required to list in Parts I and II of its Schedule B each person who contributed more than the greater of \$5,000 or 2% of \$700,000 (\$14,000) during the tax year. Thus, a contributor who gave a total of \$11,000 wouldn't be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization was greater than \$5,000, it didn't exceed \$14,000.

Section 501(c)(7), (8), or (10) organizations. For contributions to these social and recreational clubs, fraternal beneficiary and domestic fraternal societies, orders, or associations that weren't for an exclusively religious, charitable, etc., purpose, list in Part I each contributor who contributed \$5,000 or more during the tax year, as described under *General Rule*, earlier.

For contributions to a section 501(c)(7), (8), or (10) organization received for use exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals (sections 170(c)(4), 2055(a)(3), or 2522(a)(3)), list in Part I each contributor whose aggregate contributions for an exclusively religious, charitable, etc., purpose were more than \$1,000 during the tax year. To determine the more-than-\$1,000 amount, total all of a contributor's gifts for the tax year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that listed an exclusively religious, charitable, etc., contribution in Part I or II must also complete Part III to provide further information on such contributions of more than \$1,000 during the tax year and show the total amount received from such contributions that were for \$1,000 or less during the tax year.

However, if a section 501(c)(7), (8), or (10) organization didn't receive total contributions of more than \$1,000 from a single contributor during the tax year for exclusively religious, charitable, etc., purposes and consequently wasn't required to complete Parts I through III with respect to these contributions, it need only check the third *Special Rules* box on the front of Schedule B and enter, in the space provided, the total contributions it received during the tax year for an exclusively religious, charitable, etc., purpose.

Specific Instructions

Don't attach substitutes for Schedule B or attachments to Schedule B with information on contributors. Parts I, II, and III of Schedule B may be duplicated as needed to provide adequate space for listing all contributors. Number each page of each part (for example, Page 2 of 5, Part II).

Part I. In column (a), identify the first contributor listed as No. 1 and the second contributor as No. 2, etc. Number consecutively. In column (b), enter the contributor's name, address, and ZIP code. Identify a donor as "anonymous" only if the organization doesn't know the donor's identity. In column (c), enter the amount of total contributions for the **tax year** for the contributor listed.

In column (d), check the type of contribution. Check all that apply for the contributor listed. If a *cash contribution* came directly from a contributor (other than through payroll deduction), check the "Person" box. A cash contribution

includes contributions paid by cash, credit card, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

If an **employee's** cash contribution was forwarded by an employer (indirect contribution), check the "Payroll" box. If an employer withholds contributions from employees' pay and periodically gives them to the organization, report only the employer's name and address and the total amount given unless you know that a particular employee gave enough to be listed separately.

Check the "Noncash" box in column (d) for any contribution of property other than cash during the tax year, and complete Part II of this schedule. For example, if an organization that uses the accrual method of accounting reports a pledge of noncash property on Form 990, Part VIII, line 1g, it must check the "Noncash" box and complete Part II even if the organization didn't receive the property during the tax year.

For a section 527 organization that files a Form 8871, Political Organization Notice of Section 527 Status, the names and addresses of contributors that aren't reported on Form 8872, Political Organization Report of Contributions and Expenditures, don't need to be reported in Part I if the organization paid the amount specified by section 527(j)(1). In this case, enter "Pd. 527(j)(1)" in column (b) instead of a name, address, and ZIP code; but you must enter the amount of contributions in column (c).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. In column (b), describe the **noncash contribution** received by the organization during the tax year, regardless of the value of that noncash contribution. Note the public inspection rules discussed earlier.

In columns (c) and (d), report property with readily determinable market value (for example, marked quotations for securities) by listing its **fair market value (FMV)**. If the organization immediately sells **securities** contributed to the organization (including through a broker or agent), the contribution still must be reported as a gift of property (rather than cash) in the amount of the net proceeds plus the broker's fees and expenses. See the instructions for Form 990, Part VIII, line 1g, which provide an example to illustrate this point. If the property isn't immediately sold, measure market value of marketable securities registered and listed on a recognized securities exchange by the average of the highest and lowest quoted selling prices (or the average between the *bona fide* bid and

asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When FMV can't be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution subject to an outstanding debt, subtract the debt from the property's FMV. Enter the date the property was received by the organization, but only if the donor has fully given up use and enjoyment of the property at that time.

The organization must report the value of any **qualified conservation contributions** and contributions of **conservation easements** listed in Part II consistently with how it reports revenue from such contributions in its books, records, and financial statements and in Form 990, Part VIII, Statement of Revenue.

For more information on noncash contributions, see the instructions for Schedule M (Form 990), Noncash Contributions.

If the organization received a partially completed Form 8283, Noncash Charitable Contributions, from a donor, complete it and return it so the donor can get a charitable contribution deduction. Keep a copy for your records.

Original (first) and successor donee (recipient) organizations must file Form 8282, Donee Information Return, if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (property other than money or certain publicly traded securities) within 3 years after the date the original donee received the property.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions for use exclusively for religious, charitable, etc., purposes during the tax year must complete Parts I through III for each person whose gifts totaled more than \$1,000 during the tax year. Show also, in the heading of Part III, the total of gifts to these organizations that were \$1,000 or less for the tax year and were for exclusively religious, charitable, etc., purposes. Complete this information only on the first Part III page if you use duplicate copies of Part III.

If an amount is set aside for an exclusively religious, charitable, etc., purpose, show in column (d) how the amount is held (for example, whether it is commingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.

General Instructions

Future developments. For the latest information about developments related to Schedule I (Form 990), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/form990.

Note: Terms in bold are defined in the Glossary of the Instructions for Form 990.

Purpose of Schedule

Schedule I (Form 990) is used by an organization that files Form 990 to provide information on **grants and other assistance** made by the filing organization during the **tax year to domestic organizations, domestic governments, and domestic individuals.** Report activities conducted by the organization directly. Also, report activities conducted by the organization indirectly through a **disregarded entity** or a **joint venture** treated as a partnership.

Grants and other assistance include awards, prizes, **contributions**, noncash assistance, cash allocations, stipends, scholarships, fellowships, research grants, and similar payments and distributions made by the organization during the tax year. For purposes of Schedule I, grants and other assistance don't include:

- Salaries or other **compensation** to employees, or payments to independent contractors if the primary purpose of such payments is to serve the direct and immediate needs of the organization (such as legal, accounting, or fundraising services).

- The payment of any benefit by a 501(c)(9) voluntary employees' beneficiary association (VEBA) to employees of a sponsoring organization or contributing employer, if such payment is made under the terms of the VEBA trust and in compliance with section 505.

- Grants to affiliates that aren't organized as legal entities separate from the filing organization, or payments made to branch offices, accounts, or employees of the organization located in the **United States.**

A **domestic organization** includes a corporation or partnership created or organized in the United States or under the law of the United States or of any state or possession. A trust is a domestic organization if a court within the United States or a **U.S. possession** is able to exercise primary supervision over the administration of the trust, and one or more U.S. persons (or persons in **U.S. possessions**) have the authority to control all substantial decisions of the trust.

A **domestic government** is a state, a U.S. possession, a political subdivision of a state or U.S. possession, the United States, or the District of Columbia. A grant to a U.S. government agency must be included on this schedule regardless of where the agency is located or operated.

A **domestic individual** is a person, including a foreign citizen, who lives or resides in the United States (or a U.S. possession) and not outside of the United States (or a U.S. possession).

Parts II and III of this schedule may be duplicated to list additional grantees (Part II) or types of grants/assistance (Part III) that don't fit on the first page of these parts. Number each page of each part.

Don't report on this schedule foreign grants or assistance, including grants or assistance provided to **domestic organizations, domestic governments, or domestic individuals** for the purpose of providing grants or other assistance to a designated **foreign organization, foreign government, or foreign individual.** Instead, report them on Schedule F (Form 990), Statement of Activities Outside the United States.

Who Must File

An organization that answered "Yes" on Form 990, Part IV, *Checklist of Required Schedules*, line 21 or 22, must complete Part I and either Part II or Part III of this schedule and attach it to Form 990.

If an organization isn't required to file Form 990 but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

Specific Instructions

Part I. General Information on Grants and Assistance

Complete this part if the organization answered "Yes" on Form 990, Part IV, line 21 or 22.

Lines 1 and 2. On line 1, indicate "Yes" or "No" regarding whether the organization maintains records to substantiate amounts, eligibility, and selection criteria used for grants. In general terms, describe how the organization monitors its grants to ensure that such grants are used for proper purposes and aren't otherwise diverted from the intended use. For example, the organization can describe the periodic reports required or field investigations conducted. Use Part IV for the organization's narrative response to line 2.

Part II. Grants and Other Assistance to Domestic Organizations and Domestic Governments

Line 1. Complete line 1 if the organization answered "Yes" on Form 990, Part IV, line 21. A "Yes" response means that the organization reported more than \$5,000 on Form 990, Part IX, line 1, column (A). Enter information only for each recipient **domestic organization** or **domestic government** that received more than \$5,000 aggregate of grants or assistance from the organization during the tax year.

Enter the details of each organization or entity on a separate line of Part II. If there are more organizations or entities to report in Part II than space available, report the additional organizations or entities on duplicate copies of Part II. Use as many duplicate copies as needed, and number each page. Use Part IV if additional space is needed for descriptions of particular column entries.

Column (a). Enter the full legal name and mailing address of each recipient organization or government entity.

Column (b). Enter the employer identification number (EIN) of the grant recipient.

Column (c). Enter the section of the Internal Revenue Code under which the organization receiving the assistance is tax-exempt, if applicable (for example, a school described in section 501(c)(3) or a social club described in section 501(c)(7)). If a recipient is a government entity, enter the name of the government entity. If a recipient is neither a tax-exempt nor a government entity, leave column (c) blank.

Column (d). Enter the total dollar amount of cash grants to each recipient organization or entity for the tax year. Cash grants include grants and allocations paid by cash, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

Columns (e) and (f). Enter the **fair market value** of noncash property. Describe the method of valuation. Report property with a readily determinable market value (for example, market quotations for **securities**) at its fair market value. For marketable securities registered and listed on a recognized securities exchange, measure market value on the date the property is distributed to the grantee by the average of the highest and lowest quoted selling prices or the average between the bona fide bid and asked prices. When fair market value cannot be readily determined, use an appraised or estimated value.

Column (g). For noncash property or assistance, enter a description of the property or assistance. List all that apply. Examples of noncash assistance include medical supplies or equipment, pharmaceuticals, blankets, and books or other educational supplies.

Column (h). Describe the purpose or ultimate use of the grant funds or other assistance. Don't use general terms such as charitable, educational, religious, or scientific. Use more specific descriptions such as general support, payments for nursing services, or laboratory construction. Enter the type of assistance, such as medical, dental, or free care for indigent hospital patients. In the case of disaster assistance, include a description of the disaster and the assistance provided (for example, "Food, shelter, and clothing for Organization A's assistance to victims of Colorado wildfires"). Use Part IV if additional space is needed for descriptions.

*If the organization checks "Accrual" on Form 990, Part XII, line 1, follows **SFAS 116** (ASC 958) (see instructions for Form 990, Part IX), and makes a grant during the tax year to be paid in future years to a **domestic organization** or **domestic government**, it should report the grant's present value in Part II, line 1, column (d) or (e), and report any accruals of present value increments in future years.*

Line 2. Add the number of recipient organizations listed on Schedule I (Form 990), Part II, line 1, that (a) have been recognized by the Internal Revenue Service as exempt from federal income tax as described in section 501(c)(3); (b) are churches, including synagogues, temples, and mosques; (c) are integrated auxiliaries of churches and conventions or association of churches; or (d) are **domestic governments**. Enter the total.

Line 3. Add the number of recipient organizations listed on Schedule I (Form 990), Part II, line 1, that aren't described on line 2.

This number should include both organizations that aren't tax-exempt and organizations that are tax-exempt under section 501(c) but not section 501(c)(3).

Part III. Grants and Other Assistance to Domestic Individuals

Complete Part III if the organization answered "Yes" on Form 990, Part IV, line 22. A "Yes" response means that the organization reported more than \$5,000 on Form 990, Part IX, line 2, column (A).

Enter information for **grants and other assistance** made to or for the benefit of individual recipients. Don't complete Part III for grants or assistance provided to individuals through another organization or entity, unless the grant or assistance is earmarked by the filing organization for the benefit of one or more specific **domestic individuals**. Instead, complete Part II, earlier. For example, report a payment to a **hospital** designated to cover the medical expenses of particular domestic individuals in Part III and report a contribution to a hospital designated to provide some service to the general public or to unspecified domestic charity patients in Part II.

Enter the details of each type of assistance to individuals on a separate line of Part III. If there are more types of assistance than space available, report the types of assistance on duplicate copies of Part III. Use as many page. Use Part IV if additional space is needed for descriptions of particular column entries.

Column (a). Specify type(s) of assistance provided, or describe the purpose or use of grant funds. Don't use general terms such as charitable, educational, religious, or scientific. Use more specific descriptions, such as scholarships for students attending a particular school; provision of books or other educational supplies; food, clothing, and shelter for indigents; or direct cash assistance to indigents; etc. In the case of specific disaster assistance, include a description of the type of assistance provided and identify the disaster (for example, "Food, shelter, and clothing for immediate relief for victims of Colorado wildfires").

Column (b). Enter the number of recipients for each type of assistance. If the organization is unable to determine the actual number, provide an estimate of the number. Explain in Part IV how the organization arrived at the estimate.

Column (c). Enter the aggregate dollar amount of cash grants for each type of grant or assistance. Cash grants include grants and allocations paid by cash, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

Columns (d) and (e). Enter the **fair market value** of noncash property. Describe the method of valuation. Report property with a readily determinable market value (for example, market quotations for **securities**) at

its fair market value. For marketable securities registered and listed on a recognized securities exchange, measure market value by the average of the highest and lowest quoted selling prices or the average between the bona fide bid and asked prices, on the date the property is distributed to the grantee. When fair market value cannot be readily determined, use an appraised or estimated value.

Column (f). For noncash grants or assistance, enter descriptions of property. List all that apply. Examples of noncash assistance include medical supplies or equipment, pharmaceuticals, blankets, and books or other educational supplies.

If the organization checks "Accrual" on Form 990, Part XII, line 1; follows SFAS 116 (ASC 958) (see instructions for Form 990, Part IX); and makes a grant during the tax year to be paid in future years to a domestic individual, it should report the grant's present value in Part III, column (c) or (d), and report any accruals of present value increments in future years.

Part IV. Supplemental Information

Use Part IV to provide narrative information required in Part I, line 2, regarding monitoring of funds, and in Part III, column (b), regarding how the organization estimated the number of recipients for each type of grant or assistance. Also use Part IV to provide other narrative explanations and descriptions, as needed. Identify the specific part and line(s) that the response supports. Part IV can be duplicated if more space is needed.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Schedule M (Form 990), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/form990.

Note: Terms in **bold** are defined in the *Glossary* of the Instructions for Form 990.

Purpose of Schedule

Schedule M (Form 990) is used by an organization that files Form 990 to report the types of **noncash contributions** received during the year by the organization and certain information regarding such **contributions**. The schedule requires reporting of the quantity and the reported financial statement amount of noncash contributions received by type of property. Report noncash donated items even if sold immediately after received. Don't report noncash contributions received by the organization in a prior year. Don't report donations of services or the donated use of facilities, equipment, or materials donated.

Who Must File

An organization that answered "Yes" to Form 990, Part IV, lines 29 or 30, must complete Schedule M (Form 990) and attach it to Form 990. This means an organization that reported more than \$25,000 of aggregate **noncash contributions** on Form 990, Part VIII, line 1g, or that during the year received **contributions of art, historical treasures**, or other similar assets, or **qualified conservation contributions**, regardless of whether it reported any revenues for such contributions in Part VIII.

If an organization isn't required to file Form 990 but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

Specific Instructions

Part I. Types of Property

Column (a). Check the box if during the year the organization received any contributions of the property type identified.

Column (b). For each type of property received during the year, enter the number of **contributions** or the number of items contributed, determined in accordance with the organization's recordkeeping practices. Explain in Part

II of this schedule whether the organization is reporting the number of contributions or the number of items received, or a combination of both methods. As described below, for contributions of securities, such as publicly traded stock, treat each separate gift (rather than each share received) as an item for this purpose.

Organizations that receive contributions of books, publications, clothing, and household goods aren't required to complete column (b) for those items reported on lines 4 and 5.

Columns (c)–(d). In column (c), enter the revenues reported on Form 990, Part VIII, line 1g, for the appropriate property type. If none were reported, enter "0."

In column (d), describe the method used to determine the amount reported on Form 990, Part VIII, line 1g (for example, cost or selling price of the donated property, sale of comparable properties, replacement cost, opinions of experts, etc.). See Pub. 561, *Determining the Value of Donated Property*, for more information.

Example 1. A used car in poor condition is donated to a local high school for use by students studying car repair. A used car guide shows the dealer retail value for this type of car in poor condition is \$1,600. However, the guide shows the price for a private party sale of the car is only \$750. The fair market value of the car is considered to be \$750, which is the amount the organization reported on Form 990, Part VIII, line 1g. In column (c), the organization should enter \$750. In column (d), the organization should enter "sale of comparable properties and/or opinion of expert" as the method used to determine fair market value.

Example 2. An organization primarily receives bulk donations of clothing, household goods, and other similar items, intended for resale. Under its permitted financial reporting practices, it doesn't recognize or record revenue at the time of receipt of the contribution, but instead records such items in inventory and reports contribution revenues at the time of sale based on prior inventory turnover experience. In column (c), the organization can enter the amount that represents the total estimated amount of annual sales revenue for each type of property received under its permitted financial reporting method, and in column (d), enter "resale value or annual sales revenue" as the method of determining revenue.

Museums and other organizations that don't report contributions of **art, historical treasures**, and other similar items as revenue, as permitted under

generally accepted accounting principles, enter "0" in column (c) and leave column (d) blank. The organization can explain in Part II that a zero amount was reported on Form 990, Part VIII, line 1g, because the museum did not capitalize its collections, as allowed under **SFAS 116** (ASC 958-360-25).

An organization that received **qualified conservation contributions** or **conservation easements** must report column (c) revenue consistent with how it reports revenue from such contributions in its books, records, and financial statements. The organization must also report revenue from such qualified conservation contributions and conservation easements consistently with how it reports such revenue in Form 990, Part VIII.

Line 1. Works of art include paintings, sculptures, prints, drawings, ceramics, antiques, decorative arts, textiles, carpets, silver, photography, film, video, installation and multimedia arts, rare books and manuscripts, historical memorabilia, and other similar objects. Works of art don't include **collectibles** reported on line 18 or taxidermy reported on line 21.

Line 2. An historical treasure is a building, structure, area, or property with recognized cultural, aesthetic, or historical value that is significant in the history, architecture, archeology, or culture of a country, state, or city.

Line 3. A contribution of a fractional interest in art is a contribution, not in trust, of an undivided portion of a donor's entire interest in a **work of art**. A contribution of the donor's entire interest must consist of a part of each substantial interest or right the donor owns in such work of art and must extend over the entire term of the donor's interest in the property. A gift generally is treated as a gift of an undivided portion of a donor's entire interest in property if the donee is given the right, as a tenant in common with the donor, to possession, dominion, and control of the property for a portion of each year appropriate to its interest in such property. For each work of art or item, report in column (b) the fractional interest for each year an interest in the property is received for the underlying work of art or item. See section 170(o) for special rules for fractional gifts.

Line 4. Enter information about **contributions** of all books and publications. Don't include rare books and manuscripts reported on line 1, **collectibles** reported on line 18, and archival records reported on lines 25 through 28.

Line 5. Enter information about clothing items and **household goods** which were in good used condition or better. Clothing items and household goods which weren't in good used condition or better are to be reported as a separate type in "Other" beginning with line 25.

Lines 6–7. On line 6, include only **contributions** of motor vehicles manufactured primarily for use on public streets, roads, and highways. Don't include on lines 6 or 7 contributions of the donor's stock in trade or property held by the donor primarily for sale to customers in the ordinary course of a trade or business. The organization is required to file Form 1098-C, Contributions of Motor Vehicles, Boats, and Airplanes, with the donor and the IRS for contributions reported on these lines. See Form 990, Part V, line 7h.

Line 8. Intellectual property is any patent, copyright (other than a copyright described in section 1221(a)(3) or 1231(b)(1)(C)), trademark, trade name, trade secret, know-how, software (other than software described in section 197(e)(3)(A)(i)), or similar property. Certain **contributions** of intellectual property require the organization to file Form 8899, Notice of Income From Donated Intellectual Property, with the donor and the IRS. See Form 990, Part V, line 7g.

Line 9. Publicly traded securities means **securities** for which (as of the date of the contribution) market quotations are readily available on an established securities market. For each **security**, treat each separate gift (rather than each share received) as a **contribution** for this purpose. Include on this line interests in publicly traded partnerships, limited liability companies or trusts, and publicly traded corporations.

Line 10. Closely held stock means shares of stock issued by a corporation that isn't publicly traded. For each **security**, treat each separate gift (rather than each share received) as a **contribution** for this purpose.

Line 11. Enter information about **contributions** of interests in a partnership, limited liability company, or trust, that isn't publicly traded. For each **security**, treat each separate gift (rather than each share received) as a contribution for this purpose.

Line 12. Enter information about **contributions** of **securities** that aren't reported on lines 9 through 11. For each **security**, treat each separate gift (rather than each share received) as a contribution for this purpose.

Lines 13–14. A **qualified conservation contribution** is a contribution of a qualified real property interest to a qualified organization exclusively for conservation purposes. A qualified real property interest means any of the following interests in real property.

1. The entire interest of the donor,
2. A remainder interest, or
3. A restriction (an easement), granted in perpetuity, on the use which may be made of the real property.

A *qualified organization* means an organization which is:

1. A **governmental unit** described in section 170(c)(1);
2. A publicly supported charitable organization described in sections 501(c)(3) and 170(b)(1)(A)(vi) or section 509(a)(2) (see the instructions for Parts II and III of Schedule A (Form 990 or 990-EZ)); or
3. A **supporting organization** described in sections 501(c)(3) and 509(a)(3) that is controlled by a governmental unit or a publicly supported charitable organization.

In addition, a qualified organization must have a commitment to protect the conservation purposes of a qualified conservation contribution, and have the resources to enforce those restrictions.

A conservation purpose means:

1. The preservation of land areas for outdoor recreation used by, or for the education of, the general public;
2. The protection of a relatively natural habitat of fish, wildlife, plants, or similar ecosystems;
3. The preservation of open space (including farmland and forest land) where such preservation is for the scenic enjoyment of the general public or pursuant to a clearly delineated federal, state, or local governmental conservation policy; or
4. The preservation of an historically important land area or a certified historic structure.

See section 170(h) for additional information, including special rules for the conservation purpose requirement for buildings in registered historic districts.

On line 13, enter information about contributions of a qualified real property interest that is a restriction for the exterior of a certified historic structure. A **certified historic structure** is any building or structure listed on the National Register of Historic Places as well as any building certified as being of

historic significance to a registered historic district. See section 170(h)(4)(B) for special rules that apply to contributions made after August 17, 2006.

On line 14, enter information about qualified conservation contributions other than those entered on line 13. This includes **conservation easements** to preserve land areas for outdoor recreation used by, or for the education of, the general public; to protect a relatively natural habitat or ecosystem; to preserve open space; or to preserve an historically important land area.

Line 15. Enter information about **contributions** of residential real estate. Include information about contributions (not in trust) of a remainder interest in a personal residence which wasn't the donor's entire interest in the property. The term personal residence includes any property used by the donor as a personal residence but isn't limited to the donor's principal residence. The term personal residence also includes stock owned by the donor as a tenant-stockholder in a cooperative housing corporation if the dwelling the donor is entitled to occupy as a tenant-stockholder is used by the donor as a personal residence. Don't enter information about contributions of the use of facilities or property, as such contributions aren't reportable on Form 990, Part VIII.

Line 16. Enter information about **contributions** of commercial real estate, such as a commercial office building. Include information about contributions (not in trust) of a remainder interest in a farm which wasn't the donor's entire interest in the property. The term farm refers to land used for the production of crops, fruits, or other agricultural products, or for the maintenance of livestock. A farm includes the improvements located on the farm property.

Line 17. Enter information about real estate interests not reported on lines 15 or 16.

Line 18. Collectibles include autographs, sports memorabilia, dolls, stamps, coins, books (other than books and publications reported on line 4), gems, and jewelry (other than costume jewelry reported on line 5), but not art reported on lines 1 through 3, or historical artifacts or scientific specimens reported on lines 22 or 23.

Line 19. Enter information about food items, including food inventory contributed by corporations and other businesses.

Line 20. Enter information about drugs, medical supplies, and similar items contributed by corporations and other businesses that manufactured or distributed such items.

Line 21. Taxidermy property means any work of art that is the reproduction or preservation of an animal, in whole or in part; is prepared, stuffed, or mounted to recreate one or more characteristics of the animal; and contains a part of the body of the dead animal.

Line 22. Enter information about historical artifacts such as furniture, fixtures, textiles, and household items of an historic nature. Don't include **Art** reported on lines 1 through 3, or any archeological artifacts reported on line 24.

Line 23. Scientific specimens include living plant and animal specimens, natural and physical sciences specimens (such as rocks and minerals), and objects or materials that relate to, or exhibit, the methods or principles of science.

Line 24. Enter information about archeological and ethnographical artifacts, other than **Art** reported on lines 1 through 3, and historical artifacts reported on line 22. An archeological artifact is any object over 250 years old and is normally discovered as a result of scientific excavation, clandestine or accidental digging for exploration on land, or under water. Ethnological artifacts are objects which are the product of a tribal or nonindustrial society, and important to the cultural heritage of a people because of its distinctive characteristics, comparative rarity, or its contribution to the knowledge of the origins, development, or history of that people.

Lines 25–28. Use lines 25 through 28 to separately report other types of property not described above or reported on previous lines. These include items that didn't satisfy specific charitable deduction requirements applicable to the **contribution** of such type of property,

but which were contributed to the organization, such as clothing and **household goods** that weren't in good used or better condition, and **conservation easements** that the organization knows don't constitute **qualified conservation contributions**.

Self-created items, such as personal papers and manuscripts, including archival records, are to be listed separately as a type. Archival records are materials of any kind created or received by any person, family, or organization in the conduct of their affairs that are preserved because of the enduring value of the information they contain or as evidence of the functions and responsibilities of their creator.

Donations of items used by the organization at a charitable auction (other than goods sold by the charity at the auction, which should be reported on lines 1 through 24, as appropriate), such as food served at the event or floral centerpieces, can be reported separately on lines 25 through 28. **Noncash contributions** don't include donations of services or donated use of materials, equipment, or facilities, which may be reported in the narrative section of Form 990, Part III, line 4.

Line 29. Enter the number of Forms 8283, Noncash Charitable Contributions, received by the organization during the year for **contributions** for which the organization completed Form 8283, Part IV.

Lines 30a–30b. Answer "Yes" to line 30a if the organization received during the year a **noncash contribution** reportable on lines 1 through 28 for which the organization is required, by the terms of the gift or otherwise, to hold the property for at least three years from the date of the **contribution** and which property is not required to be used for exempt purposes for the entire holding period. An organization that answers "Yes" to line 30a must describe the arrangement in Part II.

Line 31. Answer "Yes" if the organization has a gift acceptance policy that requires the review of any nonstandard contributions. A nonstandard contribution includes a contribution of an item that isn't reasonably expected to be used to satisfy or further the organization's exempt purposes (aside from the need of such organization for income or funds) and for which (a) there is no ready market to which the organization can go to liquidate the contribution and convert it to cash, and (b) the value of the item is highly speculative or difficult to ascertain. For example, the contribution of a taxpayer's successor member interest of the type described in Notice 2007-72, 2007-36 I.R.B. 544, is a nonstandard contribution for this purpose.

Lines 32a–32b. Answer "Yes" to line 32a if the organization hires or uses third parties or related organizations to solicit, process, or sell **noncash contributions**. Answer "No" if the only third party used by the organization to solicit, process, or sell noncash contributions is a broker who sells publicly traded securities received by the organization as a gift. An organization that answers "Yes" to line 32a must describe these arrangements in Part II.

Line 33. If applicable, describe in Part II why the organization didn't report revenue in column (c) for a type of property for which column (a) is checked.

Part II. Supplemental Information

Use Part II to provide narrative information required in Part I, column (b), and Part I, lines 30b, 32b, and 33, and whether the organization is reporting in Part I, column (b), the number of contributions, the number of items received, or a combination of both. Also use Part II to provide other narrative explanations and descriptions, as needed. Identify the specific line number that the response supports. Part II can be duplicated if more space is needed.

General Instructions

Future developments. For the latest information about developments related to Schedule O (Form 990 or 990-EZ), such as legislation enacted after the schedule and its instructions were published, go to www.irs.gov/form990.

Purpose of Schedule

An organization should use Schedule O (Form 990 or 990-EZ), rather than separate attachments, to provide the IRS with narrative information required for responses to specific questions on Form 990 or 990-EZ, and to explain the organization's operations or responses to various questions. It allows organizations to supplement information reported on Form 990 or 990-EZ.

Don't use Schedule O to supplement responses to questions in other schedules of the Form 990 or 990-EZ. Each of the other schedules includes a separate part for supplemental information.

Who Must File

All organizations that file Form 990 and certain organizations that file Form 990-EZ must file Schedule O (Form 990 or 990-EZ). At a minimum, the schedule must be used to answer Form 990, Part VI, lines 11b and 19.
