At Community Food Share, we're more than a food bank — we're a neighbor and a friend who's been fighting hunger in Boulder and Broomfield Counties for decades. We know that ending hunger in our communities requires collaboration. That's why we not only provide food directly to families, seniors, students, and others, we're also a hub — delivering millions of pounds of food a year to local partners to reach people in their communities. Because when we work together, we give more people access to fresh, nutritious food.
