- **Tee Shot** - Each team member's tee shot must be used at least two times.
  - Each player hits a tee shot, the best one is selected, and then all players hit a second shot from that point. This procedure continues until the ball is holed. The next shot must be played from the same height of grass as the selected ball.

If the selected ball lies in the fairway, rough, bunker, etc., then the other shots must also be played from the fairway, rough, bunker, etc., within one club-length and no closer to the hole. If the selected ball lies on the green, all other shots must also be played from the green within one putter-head length and no closer to the hole.

- **Three-Person Teams:** In the event of a three-person team, each member of the team shall rotate hitting an additional ball so that the team will have a total of four balls in play. For example, on the first hole of play, Player A hits two tee shots, two second shots, two putts, etc. On the second hole, Player B does the same, and on the third hole, Player C does the same. The rotation then starts over for the fourth hole, and the order remains the same.
- **Two-Person Teams:** Both players hit two shots throughout.

## Rules of Play

- USGA rules shall govern all play.
- Players are reminded to always be aware of their speed of play and their position on the course in relation to the group ahead. Out of position: foursomes will be considered out of position if they are one hole removed. Example: if Group A has left the tee on Hole #5 and Group B is teeing off on Hole #4, Group B is out of position and may receive a warning from the course marshals.
- If there is still a tie, then the last six holes, three holes and final hole of the first nine holes will be considered in turn. If the round is less than 18 holes, the number of holes used in matching scores may be adjusted.

## To Our Golfers

Thank you for your generous support of Community Food Share and our Community Classic – Tee Up! Against Hunger.

At Community Food Share, we're more than a food bank —we're a neighbor and a friend who's been fighting hunger in Boulder and Broomfield Counties for decades.

Your participation in this year's tournament comes at a critical time, as the need for our program increases. As families struggle with the impacts of rising costs, we continue to see more of our neighbors are turning to Community Food Share. People must make the impossible face impossible decisions: pay the electricity bill or buy groceries for my family? Skip my doctor's appointment or skip dinner?

"When you're hit financially, there's nothing scarier than when you've got to figure out how to feed your kids," a neighbor visiting our pantry shared.

Last month, we saw the highest number of visits in our organization's 40-year history. Even higher than what we saw during the pandemic. Despite the many obstacles, nearly 70% of the food we distribute is fresh produce, protein, and dairy. It's a triumph made possible by hard work, collaboration, and the tremendous generosity of supporters like you.

Our goal is to provide the food needed for our neighbors experiencing food-insecurity, and that requires collaboration. Together, we can give more of our neighbors, throughout Boulder and Broomfield Counties, access to fresh, nutritious food.

Thank you for being a part of the solution by joining us at this year's tournament.
